- ❖ Charging (or Player Control Foul) – A personal foul occurring when an offensive player makes contact with a defender who has already established a set position. A player with the ball must avoid contact with a stationary defender by stopping or changing direction.

- ❖ Holding – A personal foul caused by illegal contact with an opponent, which interferes with his freedom of movement.
- ❖ Intentional Foul – A personal or technical foul, which keeps the opponent from capitalizing on an advantageous situation. It could be contact away from the ball or contact when a defender is not making a legitimate attempt to play the ball or a player. It also occurs when a player causes excessive contact with an opponent.
- ❖ Offensive Foul – A foul caused by an offensive player, usually in the form of charging.
- ❖ Over the Back–When a player jumps up over the back of another player in an attempt to go for the ball.

- ❖ Team Foul – Any foul charged to a team. Once a team reaches 5 time fouls, its opponent is in a bonus free throw situation and one player will be out of the match , only 4 players will be playing after 5 personal fouls.

Violations

- ❖ The basketball basic rules include numerous ball handling and time violations that cause a team to lose possession of the ball. Here are some common violations:
- ❖ Backcourt Violation– If a player is the last one on her team to touch the ball before it goes into the backcourt, she cannot be the first player to touch it in the backcourt.
- ❖ Closely Guarded (or Five-second Violation) – Violation that occurs when a ball handler in his team's frontcourt is continuously guarded by any opponent who is within six feet of him while he is either dribbling or holding the ball. The offensive player has 5 seconds to either get rid of the ball or drive pass the defender.
- ❖ Double Dribble -When a dribbler touches the ball with both hands at the same time or when the dribbler picks up the ball and then starts dribbling again.

- ❖ Goaltending –Occurs when a player touches a shot ball while it is in its downward flight above the rim. It also occurs when a defender touches a free throw attempt outside the basket.
- ❖ Lane Violation – A violation called during a free throw situation against a player who enters the lane too soon.
- ❖ Ten Seconds in the Backcourt – A team has 10 seconds to advance the ball from their backcourt past the half-court line to the frontcourt.
- ❖ Three Seconds in the Lane – An offensive player cannot remain in the free throw lane for longer than 3 seconds while her team is in control of the ball in the frontcourt. She has to clear the lane completely with both feet to stop the official's count. If she receives the ball while she is in the lane, she is allowed to stay beyond 3 seconds in order to drive toward the goal for a shot.
- ❖ Traveling – A violation caused by moving the feet in any direction without properly dribbling the ball. It results in a turnover, and the ball is given to the opposing team. While holding the ball, a player has to establish a pivot foot which has to remain on the floor at all times until he passes, shoots, or dribbles. While holding the ball, his knee cannot touch the floor and if he falls, he must get rid of the ball before attempting to get up.
- ❖ Time violations : 5 sec holding the ball and 5 sec holding the ball without throwing the ball inside the court
